Personal Hygiene Pack

While we take appropriate measures in the school concerning hygiene, we suggest that you supply your child with a Personal Hygiene Pack. This is a bag or wash bag containing: *A small towel or face towel, Alcohol gel, Tissues*. The use of a Personal Hygiene Pack is a very effective way of taking care of personal hygiene. It is desirable that each child has a pack of tissues on his/her person at all times.

Indoor Shoes

All pupils 2nd to 6th of the school are requested to wear indoor shoes which are black plimsolls (Non marking soles).

Monies

All monies to be submitted through Aladdin.

Appointments

If you need to speak to a staff member please ring the school secretary Mary (0858747269) to make an appointment. Alternatively drop a line in your child's homework diary. It is not possible for a teacher to leave a class to speak with a parent, without having made prior arrangements for the class. The class teacher is always your first point of contact for issues relating to your child.

Labeling of Property

I would ask parents to label clearly all of your child or children's property, e.g. books, copies, pencils, pens, coats, shoes, slippers, sports gear, lunch boxes, etc. Every year we have lots of unclaimed property. Labelling would eliminate this!

School Uniform

PE Uniform to be worn by all students on Monday, Wednesday and Friday. Formal Uniform to be worn on Tuesdays and Thursday **except on days when GAA coaching is taking place.**

Personal Accident Insurance

Our Board of Management has decided that all children in our school should have Personal Accident Insurance. The Board decided that we should ask all children in the school to take out 24 hour cover. Please remember that you can now claim all expenses incurred if your child has an accident anywhere, at any time, 24 hours per day, and 365 days a year. Payment link will be sent shortly by Aladdin. [Please make payment of €8 per child to the school by Friday, 13th September.](#) If you need to make a claim on this scheme, contact the school for the necessary form. Our experience in the past has been that Allianz Insurances pays promptly and without difficulty.

Board of Management

The Board of management are the overall managers of the school and meet throughout the year. There are 2 parents nominees, 2 community nominees, 2 patrons nominees (including the chairperson) 1 Teachers nominee and myself as Principal and Secretary to the Board.

The board works on a voluntary basis for a 4 year term. The current term finishes in November 2027. The nominees, while elected by various groups (parents, patron), do not represent those groups at Board of Management level, rather, they work together as a "Corporate Body", making decisions as a unit to the overall benefit of the school they serve.

Free School Meals

We are aware that a number of local schools have taken up the option of providing Free School Meals to their students. We have been in discussions with the DES on this and the matter has been discussed by both the staff and BOM. While we appreciate the positive aspects of this scheme for parents, we have a number of concerns around the impact it would have on our students overall physical wellbeing at this pilot stage. We will continue to engage with the DES on this and will roll out the scheme when the concerns of staff and BOM are allayed.

Please note the following closures for Term 1:

Math's Curriculum Day: October 18th

Mid Term School closed October 28th to November 1st inclusive.

Christmas Holidays:

School closes at 12 noon on Friday 20th December

School reopens on Monday , January 6th, 2025

Exam Students:

We wish our Junior and Leaving Certificate students all the best this year. We wish them well in their chosen path.

Music Lessons:

Tin whistle lessons for 1st to 4th will resume in school with Ms Karina Cahill. Lessons begin on Tuesday October 8th and cost will be €4 per child for each week or €10 for a family of 3 or more.

Lessons will also be available for 5th and 6th class with their own chosen instrument. Cost will again be €4 per session. If you wish to avail of these lessons, please inform the class teacher by email to teachermmulkerrins@gmail.com
Lessons will run for 10 weeks.

Parental Notes

- (a) Put in telephone numbers in child's diary. Email school immediately of number changes.
- (b) We need to get notes from parents in order to monitor our pupils effectively. Please send notes in the homework diary:
 - ♦ When a child is absent or late.
 - ♦ If a child wishes to leave school during school hours
 - ♦ Please note there is a sign out book now inside the main entrance for use when students are being collected early

Please note:

When "Parking" it is extremely important that the driver reverses to the kerb and that your child walks on the path, to the school gate to gain access.

GAA Coaching

We would like to acknowledge the super work done by St Thomas' Hurling and Camogie clubs in organising hurling and camogie coaching during the month of June. It was a great experience for our students to be coached in the skills of the game by our local stars.

Friendship Fortnight: September 9th-20th

Friendship fortnight continues to bloom in our school. It is a lovely way to begin a new year. As a school full of kind, special and hardworking children, it has been a delight to see them rise to the challenge of becoming an even better friend. During the month of September, the children will make friendship posters and much more. Each child will take it upon themselves to watch out for others who might need a kind word or helping hand .
